

Merrill's First Principles of Instruction (FPI) Worksheet

Name:

Date:

Project
Description:

Instructions: Following David Merrill's First Principles of Instruction, complete this worksheet for your Capstone Project. Describe, in the corresponding panels, 1) the task that your learners will complete, 2) how you will activate their prior knowledge, 3) how the information from the subject matter expert will be demonstrated to the learners, 4) how they will apply the knowledge gained from the demonstration, and 5) how they will integrate the new knowledge into their lives.

5 Integration

2 Activation

1 Task-Centered

4 Application

3 Demonstration
